Minutes	Motion by Judy Kropf, 2 <sup>nd</sup> by Mitch Zimmerman	No Discussion	Passed
Focus Groups	Cathy gave overview of the 3 focus groups	See attachments  Focus groups were for adults, students were asked survey questions. The results were analyzed, and more probing question will be taken to RAPA to follow up to drill down on the particulars, ie, where are they vaping, how are they getting “contraband”	Staff and Sharon
Drugs our community is facing	According to Medway DEA Meth is the drug of choice, opiates are still around, but not as prevalent.	Meth is being imported into Wayne County via the cartel. Home meth labs are down	
General Discussion	Heard multiple times at focus groups and other settings is the parents are lacking skills to properly guide and teach their children, whether that be from poverty, addiction, or just lack of skill.	GREAT discussion regarding the need to educate from the elementary through high school on issues pertaining to Vaping, marijuana, alcohol, other drugs and bad decisions in general  Better Educating/Reducing/ .....	More discussion needed about next steps
Logic Models constructed from the CADCA Logic Model Training	With information from the YASUS survey and the community survey we have landed on 2 issues that we are pursuing are: Alcohol & Vaping	The Logic models will be used to construct the Action plan for our year 6 – 10 DFC Application	Staff with input from the Executive Committee
School Interaction	Let Us Know how we can help our kids	Discussions: Vaping Monitors in the bathrooms, drug testing etc.  Randomness of the drug testing needs to improve	Greg Roadruck says the school board is very receptive to helping solve the problem “let us know”
Memos of Understanding	Bios for sector representatives are needed.	Cathy will be contacting those that have not provided the information.	Cathy will follow up
