Minutes	No corrections necessary – Susan moved – July 2nd	No Discussion	Passed
Introductions			
School Needs	Reusser announced that while on furlough, Mr. Adams had questioned if we would be able to help fund an academic accolade area within the Hall of Champions	We agreed to fund up to \$3,500 to do so.	On-going
Well-building Initiative	Building health – green spaces, water accessibility, wall colors, air quality, etc. Serpentini is funding this for the schools		
Youth Committee	Parents who host – stickers were handed out to the alcohol vendors RAPA will be different due to COVID		Sharon is on it!
Parent Alerts and Articles	Kristie Skaggs has done an exceptional job	We are in need of someone to collect OrrViews articles for staff to file	Nonya will contact Margaret Maupin to see if she will be able to track the OrrViews and see if she will be able to send them to staff at OneEighty
No Vaping Signs	Mr. Adams popped in to the meeting and we talked about how the signs need to include verbiage that is inclusive for all types of smoking and electronic devices	Kristie spoke about the background work on smoking signs in Orrville. She has a list of places we can reach out to in order to see if they would like signs free of charge to put in or around their locations. City buildings are not permitted to have signs posted to.	Sign up sheet was passed around for each of us to contact local persons to see if they are interested in signage and we will move on from there.
